

Central Community College – Summer Scholarships

High school juniors and seniors can apply for up to \$150 (in the form of tuition) in scholarship assistance to take classes from Central Community College this summer.

Applications for this award will be available at CCC Admissions Offices, Learning Center locations, and via the CCC website in early March at www.cccneb.edu.

April 20 is the deadline to apply for the program but early planning is recommended. Students must include ACT, COMPASS or ASSET scores to apply for the scholarship. An application review process will be used to select scholarship recipients.

You can download your application here or contact any of our campuses or learning centers for a copy. If you download the PDF file, you can enter the information on your computer, then print it out, have your guidance counselor verify assessment scores, sign it and mail it to the campus you plan to attend.

Please note that as of January 2011, CCC scholarships will only be granted to U.S. citizens and eligible non-citizens due to state guidelines (LB403).
